

Report Title

FOI 407-2025 Wheelchair service open referrals for Adults

Report Date Range

30 December 2021 (earliest referral) to 31 March 2025 (last referral).

Extract Date

04/04/2025

Note

This data is taken as of 31 March, which is the last validated position. The count for Question 1c (over 18 weeks), includes reponses for 1d (more than 52 weeks). Question 1i cannot be answered as this information is not recorded in the clinical system in a way that can be easily extracted. Numbers less than 5 have been suppressed to prevent deductive disclosure.

Question Number	Question	Count
1a	How many open referrals does the service have for ADULTS?	333
1b	Of those open referrals, how many have been open for LESS than 18 weeks?	191
