

Report Title FOI 407-2025 Wheelchair service open referrals for Under 18s.
Report Date Range 30 December 2021 (earliest referral) to 31 March 2025 (last referral).
Extract Date 04/04/2025

Note This data is taken as of 31 March, which is the last validated position. The count for Question 2c (over 18 weeks), includes reponses for 2d (more than 52 weeks). Question 2i cannot be answered as this information is not recorded in the clinical system in a way that can be easily extracted. Numbers less than 5 have been suppressed to prevent deductive disclosure.
