

About me: What Matters to Me Personalised Care Planning

Your **About Me** personalised plan is an opportunity to set out your wishes and consider **what matters to you** in supporting your health and wellbeing needs. We hope you find it useful to share with others who may support you. This is your information, for you to keep. We will ask and check to make sure it stays up to date and keep a record of this within our electronic care systems. The information contained in this document will help to develop your personalised care and treatment plans. Please note, this document is not a clinical treatment plan.
