

Report Title FOI 083-2025
Report Date Range 1 April 2020 to 15 June 2025
Extract Date 15/06/2025

The number of people by financial year receiving a confirmed recorded diagnosis of habit and impulse disorders using the following ICD 10 codes: F63.0 pathological gambling, F63.1 pathological fire-setting [pyromania], F63.2 pathological stealing [kleptomania], F63.3 trichotillomania, F63.8 other habit and impulse disorders, F63.9 habit and impulse disorder, unspecified

Financial year	Number of people with a recorded diagnosis of a habit and impulse disorder
2020 to 2021	0
2021 to 2022	0
2022 to 2023	<5
2023 to 2024	0
2024 to 2025	0
1 April 2025 to 15 June 2025	0

Note: As diagnosis has been requested, we have only included cases where a diagnosis has been recorded as confirmed.
There may be other patients that have been referred and/or treated where the condition is apparent or suspected but has not been recorded as confirmed.
Numbers less than 5 have been masked to prevent deductive disclosure. We are not able to provide age and gender due to small numbers.
