

Report Title FOI 229-2025
Report Date Range 1 April 2022 and 31 March 2025
Extract Date 15/10/2025

Note Numbers of patients are based on age at the end of each financial year.
Contact is defined as having at least one attended contact with a mental health community service or an inpatient spell on a mental health ward within the Trust.
This may include some patients who only had one contact and were subsequently discharged.
Patients may be counted more than once if they had a contact over more than one financial year.
Numbers less than five have been masked to prevent deductive disclosure.
A patients death can be for any reason and the cause may not be attributed to a mental health condition.

The distinct number of patients who had at least one attended contact with a mental health community team or had an inpatient spell on a mental health ward within our Trust per financial year, and of those patients the number who died in the same financial year.
