

GHC Access abroad form

To support guidance from the National Cyber Security Centre, GHC has access controls in place to deny access to GHC systems from outside of the UK. If you have a need to access GHC services such as email/ MS Teams whilst outside of the UK please complete this form. Please note this request will need approval as noted below and requests for certain countries may be denied due to the increased risk to GHC data and devices i.e Russia/China/Ukraine/South Korea as examples
